Some people do not understand how we can give such a big rich and delicious Ice Cream Soda for 5 cents. Confidentially, there is not much money in it, but it advertises our store. People are talking about us, and that means more business.

We served fifteen families with Ice Cream last Sunday. We are prepared to serve thirty next Sunday. Our Ice Cream is pure, rich and nourishing. It is good for babies and invalids, for the sick and well—for everybody. We guarantee it to contain only pure Cream and Milk, and Sugar and Fruit

JAP ADVANCE ON PORT ARTHUR

Heavy Fighting Wins Important Position After Fearful Losses.

Mukden, Thursday, June 30.—Heavy fighting is reported to have occurred near Port Arthur, June 26, resulting in the Russian withdrawal from Guin San Shan, after severe losses on both sides.

The Japanese fleet approached Liao Tao midway between Port Dalny and Port Arthur on the morning of June 28th, and bombarded the coast north of the bay as far as Uit Selo Shan. Strong Japanese forces which had been landed, then attacked the neighboring heights which were occupied by Russian riflemen.

Three times the Japanese were forced to retire from their main position near Guin San Shan. The Japanese then reinforced their advance guard and pressed the attack.

After several fruitless assaults on Guin San Shan the Japanese commander sent a strong column along the central road from Dalny to Port Arthur, with the object of turning the Russians thus left forcing the Russians to retreat.

The Russians lost seven officers and nearly 200 killed. The Japanese losses are believed to be much larger.

During the night they passed over a mine which the Russians successfully exploded.
